# TEACH BENER23 CONFERENCE

OCTOBER 20TH – 21ST 2023 NATIONAL INVENTORS HALL OF FAME STEM MIDDLE SCHOOL 199 S BROADWAY ST. AKRON, OH 44308

## WHY PARTNER WITH US?

Connect, engage, and build relationships with a wide range of educators and school administrators looking for tools, resources, and partnerships to help them go back to their schools and classrooms and Teach Better.

#### The Teach Better Conference brings together 300+ passionate educators from all around the U.S. and Canada, who are driven to be Better for their students.

Interact with attendees during 2 days of sessions and workshops, and strengthen those connections during our evening networking events.

#### **EXPECTED TO ATTEND:**

- Classroom Teachers
- Coordinators / Administrators
- College and University Faculty
- Counselors and School Psychologists
- Tech Coaches / Coordinators
- Other Teacher Support Leaders

We are all about relationships. They are the foundation to any strong partnership or business transaction. We've kept our conference small by design, to create the best opportunity to connect and build real, lifelong relationships with our attendees.

#### Be present, be engaged, and be sure to attend our networking events to strengthen the relationships you build during the day.

People (*teachers and admins included*) want to work with and buy from people they know, like, and trust. We want to create opportunities for you to be that person!
